RAE ADAMS-FRUET

STEWARDESS

AVAILABILITY: IMMEDIATE

Personal Objective

Experienced and motivated stewardess with 5 years of freelance work on high-standard private and charter yachts (26M-138M), now actively seeking a permanent position on a 30M+ vessel. My freelance career allowed me to master a wide range of guest service styles, integrate seamlessly with rotating crew, and deliver consistently excellent standards under pressure. With a strong foundation in silver service, barista and mixology skills, and a sharp eye for detail, I'm ready to commit long-term to a professional program where I can grow within a supportive team. Formerly in aviation, I bring discretion, adaptability, and polished guest interaction - making me a well-rounded and valuable addition to any crew.
